Kia ora Parents, Caregivers and Whānau, Welcome to the end of another great week of learning here at Ormond, there has been lots going on for all of our learners. This week Ormond School learners have had the pleasure of attending the Life Education classroom to learn valuable lessons around friendship and empathy, emotions, understanding the impacts of peer pressure, dealing with problems, uniqueness and relating to others. Life Education provides us with an alternative way of learning these key health messages as well as getting to meet the famous Harold the Giraffe!! Thank you to Matua Beau and the Life Education Trust for providing our learners with this opportunity!

All the best to our gym festival participants who are taking part in this year's regional Gymnastic Festival. It has been great to see our learners taking on this challenge and putting in extra practices themselves during their break times at school. This shows real dedication to making improvements and ensures that they will be nothing but prepared for this event.

Finally, thank you to all of our mums and those significant wāhine who fill these roles for us, for all that you do for us all, have a great and a restful Mother's Day!!

Noho ora mai rā, Stay safe and have a great weekend. Jonathan Poole - Tumuaki / Principal

IZZY

Izzy, I love how your confidence is growing. You are becoming braver by the day. This shows in the morning when you often come in all on your own. It shows in the playground where you have been spotted challenging yourself on the monkey bars. It also shows in your learning where you are taking more and more risks. In your reading you challenge yourself by working out words independently. In maths you give everything a try. You also have the confidence to say your Mother's Day poem in front of our class. Tau ke Izzy!

BELLA

Bella, you have such an amazing attitude towards your learning! You are excited by new challenges and confidently share your opinions and learning with others. You make sure that you take the time to present your learning to the best of your abilities. You are a kind and caring member of our class and you are always willing to help others. We are lucky to have a Powerful Learner Superhero like you in Karaka Bella, ka pai tō mahi!

HALO

Halo you are a quiet, conscientious worker who really gets stuck in and gives 100% effort all of the time. These past couple of weeks you have been chipping away at an Anzac poem and art. I have been impressed with the vocabulary you have come up with to use in your poem and how you decided to publish it in black and white to give it more effect. Your ability to listen to what is required, follow success criteria and focus on the task is really enabling you to progress so well as a learner. Kei runga noa atu koe!

GARRUS

Garrus you are working towards your goals with momentum. First playing in an inter school team and now signing up for Ormond football, showing that you are growing in confidence. This week you have been in the Learning Pit with our fraction workshop. You didn't give up and are no longer hanging there but out and ready for the next challenge. This is what Powerful Ormond School Learners do. Tu meke Garrus, well done!.
